ORDER Re: Proposed Schedule and Trial Date

Upon careful consideration of the parties' submissions regarding the current pretrial schedule and trial date and defendants' oral and written requests for extensions of these pretrial deadlines, it is hereby

ORDERED that defendants' motions for extensions of the discovery deadline and a change in the pretrial and trial dates for this case are DENIED. The Court is satisfied that the parties can timely complete the remaining discovery and that any extensions of the April 26, 2000 Amended Pretrial Order would result in unnecessary delays and would be contrary to the interests of justice.
